Burlesque

Curves so dangerous they could kill

ABOUT ME

I'm a burlesque dancer, plus size model, and seller of rhinestones.

I have been a part of the Cleveland burlesque scene since I graduated valedictorian of the Cleveland Burlesque Academy in April of 2015.

Since then I have been continuing to focus on development and growth in both costuming and performance.

I've performed at the Ohio Burlesque Festival in 2015, 2016, and 2017 as well as the Empire Burlesque Festival and the Wisconsin Burlesque Festival.

My home base is Cleveland, Ohio and I can be found appearing frequently in Columbus and Pittsburgh as well.

MY PERFORMANCE STYLE

I have pride in the diversity of my performances, covering both classic and neo burlesque, from sweet to sexy, fierce to ethereal. My favorite subset of burlesque is nerdlesque; I love to take on a character and add my own twist to bring them to life as a unique burlesque experience. I love to travel and I'm looking to expand my map of performance areas!
